

HARBORTOUCH

Employee of the Year

Harbortouch retail solutions can provide the ultimate tool to help make running your business easier and more profitable with an easy to use, high performance POS system at an affordable price. Choosing Harbortouch is like adding a new employee who helps you monitor sales, track inventory, manage bookkeeping and analyze valuable customer information, all while processing payments and automating day to day business operations. Adding Harbortouch to your team may be the best hiring decision you've ever made!

Streamline Your Business

Combine multiple operations into one easy-to-use application

- Manage inventory
- Manage employee schedules, productivity and track hours with a built-in time clock
- Manage purchase orders
- Manage and create barcode labels
- Integrated credit and debit transactions

Advanced Reporting

More than 30 interactive reports decrease bookkeeping expenses

- Monitor financials
- View sales history
- Track inventory
- Identify sales trends, bestselling items and productive employees
- Track promotions and ad campaigns
- Exchange information with Microsoft Word, Excel, Outlook, Microsoft Accounting and Intuit QuickBooks®
- Plus many more useful reports intended to save you time and money

Easy-to-use, Reliable Hardware

- High clarity 15" touch screen display
- Liquid and tamper resistant
- Many useful accessories
 - Customer display
 - Omnidirectional & single line handheld scanners
 - Wireless scanners for inventory management
 - Thermal receipt printer
- Long average life span outlasts the competition

Onsite Installation & Training

- Experienced and certified installation professionals make sure your system is set up correctly the first time
- Extensive onsite training session ensures that you can utilize all of your system's features from day one
- 24 hour in-house customer service and technical support
- Remote support allows the Harbortouch support team to repair any software issues at any time

Environmentally Friendly

The Harbortouch POS System minimizes its carbon footprint over the entire lifecycle of the product, from its carbon neutral manufacturing at the factory through its low energy usage at your location. The low voltage CPU provides optimal performance with minimal power consumption and heat output, allowing you to save money and the environment.

Improve Efficiency and Increase Sales at Your Business

Contact your Harbortouch Sales Representative today and let us introduce you to your new star employee. We will equip you with a dynamic POS system that will automate your daily management activities so you can concentrate on keeping your customers satisfied and spending.
